

**Extension of Due Date
For
HIPAA Version 5010 Translation Solution
Request for Information (RFI)**

July 23, 2010

The State has received vendor questions concerning the HIPAA Version 5010 Translation Solution RFI published on July 12, 2010. Answers to some of these questions may benefit all parties interested in responding to the RFI. To permit time to address questions and publish answers, the State is extending the due date for RFI responses until **August 9, 2010**.

By **August 3, 2010**, the State plans to publish additional clarifying information to assist vendors in preparing responses.
